(NEW) DEI Stakeholder Survey- Please complete and Share

<https://www.surveymonkey.com/r/5QVDL2X>

Please share with your Athletes, Unified Teammates, Volunteers, and Families!

As part of Special Olympics Maryland's efforts to become a more equitable and inclusive organization, we are asking you to complete the SOMD DEI Survey by Friday, December 2nd. We want to hear about your unique experiences with this organization. In order to advance this work, Special Olympics Maryland has partnered with Nonprofit HR to launch this comprehensive assessment.

This assessment has been prepared, executed, and analyzed by Nonprofit HR. While this survey collects demographic data, the information gathered will be used to identify the diversity of our organization and significant trends about how people of varied dimensions of diversity are experiencing SOMD. You will not

provide your name, and all results will go directly to Nonprofit HR. Your individual responses will remain anonymous.

We encourage you to engage in this survey as openly and honestly as possible so that we will have enough data to gain a true sense of Special Olympic Maryland's organization's strengths and opportunities for improvement. Your perspective is critical and valued. This survey should take approximately 20 minutes to complete. We have also attached key definitions to assist you while completing the survey. You can click here to access the survey: <https://www.surveymonkey.com/r/5QVDL2X>

Participant Confidentiality: Nonprofit HR will never share categories that have been used for data slicing in the summary data where less than five respondents are a part of a given group. We do not overlay multiple demographic dimensions in attempts to identify individual respondents. Suppose any key themes arise in dimensions where there are just a few respondents; in that case, we will bundle them or more generally share the theme if needed to ensure each individual's data remains anonymous. The raw data collected is never shared, and Nonprofit HR provides carefully analyzed data points only.

How we will use this feedback: Nonprofit HR will incorporate anonymized survey data into an assessment report and integrate it into the Strategic Roadmap to assist Special Olympics Maryland in creating a culture of inclusion.

If you have any questions about the survey or the process overall, don't hesitate to reach out to Rachael Forester rforester@nonprofithr.com or Simone McNish smcnish@nonprofithr.com directly. Thank you in advance for using your voice to help shape positive change within Special Olympics Maryland.

(NEW) 2023 Winter Games – Confirmed For Wisp Resort

Contracts have all been finalized, so it is with great pleasure that we share that Special Olympics Maryland is will host the 2023 SOMD Winter Games at Wisp Resort, in McHenry, Maryland. The 2023 Winter Games will be held on Sunday-Tuesday, February 26-28, returning to Wisp for the first time since 2010. Since that time

Wisp has continued to support SOMD’s Garrett County skiing program as a training site and is enthusiastic to once again host SOMD’s premiere winter sports competition.

SOMD is also very appreciative of the tremendous and incredibly generous support it has received over the past decade from Whitetail Resort, serving as both a primary athlete training location and host for Winter Games. We are excited that our partnership with Whitetail will continue, as it will serve as site for on-snow athlete training dates on January 7, and February 12, 2023.

(NEW) GMS – 2023 Training Registration is Open

As many Area programs are starting to register participants in their winter season training programs (Alpine Skiing, Snowshoeing, Basketball), we are pleased to let you know that the “2023 Community Training Program Participant Registration” games is now open. You should be using that “games” to register any athletes, coaches, unified teammates, volunteers, etc. for any of you training programs that will either continue into 2023 or will start in 2023. Any training that will be solely done in 2022 should continue to be added in the “2022 Community Training Program Participant Registration” games.

Discounted MinuteClinic Medicals

Please share with your athletes and families!

Special Olympics has continued their nation-wide partnership with **MinuteClinic!** Attached is the updated voucher for discounted medicals at all MinuteClinics for Special Olympics participation! Please make sure you bring Special Olympics medical forms with you as they may not have them there.

Registration Due Dates Through End of 2023 Set

Registration Deadlines for community sports through the end of 2023 have been set and are incorporated into the Sports Calendar included with this email. They are summarized below for your convenience as well. Please keep in mind that **these dates are when the information/certifications must be to SOMD HQ.** Coaches/coordinators must get this information to their Area Leaders 1 to 2 weeks prior to those dates so they may have time to get them to HQ.

Summer Games Dates Set through 2025

Thank you to all Area leaders who provided input as we considered the possible shift in dates of future SOMD Summer Games. Based on that input and several other factors, along with input gathered earlier in 2022 from additional stakeholders SOMD has made the decision to shift Summer Games to the weekend immediately following Fathers’ Day for at least the next three years:

- June 23-25, 2023
- June 21-23, 2024
- June 20-22, 2025

This shift affords our athletes, programs and SOMD overall several advantages including

- More training time for the spring season *(and lessening of impact from inclement weather)*
- More competition opportunities with two additional weeks to spring season
- All five Summer Games sports can be contested on the same weekend *(softball won’t need to be a week or two later)*
- Sports Gala can continue to be co-located with Summer Games
- Has Summer Games after schools should be out for the year

Thank you again to all for your support.

COVID-19 Protocol Update- Vaccination Requirements

After feedback from many stakeholders, we are making the following changes to our COVID-19 protocol **through the Bowling State Finals (12/4/2022)**:

- At this time, there will be no sport-specific vaccination requirements for fall sports and activities that previously required full vaccination for participation in events and competitions with multiple area programs (flag football team, soccer team, volleyball, powerlifting, bowling).
- At this time, there will be no requirement for full vaccination for overnight housing provided by SOMD, including the local program.
- At this time, a negative COVID test is no longer required to return to activities after a positive COVID test. Individuals must follow CDC recommendations for isolation and masking found here: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/quarantine-isolation.html>

Some notes about these changes:

- 1) As noted, ***these changes are only in effect through the Bowling State Finals (12/4/2022)***. Protocol changes to future sports seasons, sports, and activities will be communicated at a later date.
- 2) We will continue to follow state/local/venue restrictions for all COVID-19 Protocol, so if there is a venue (for local or state activities) that requires proof of full vaccination for participants and/or spectators, we will follow their protocol.
- 3) As a reminder, local programs cannot require vaccinations in sports and activities in which SOMD does not require full vaccination for participation.
- 4) Protocol changes will also be communicated in tomorrow’s Area Memo (sent by Jeff) and the upcoming Coach Memo (sent by Mike Czarnowsky)

- 5) As always, COVID-19 protocol is subject to change based on the current COVID-19 situation. Should we need to make further changes to protocol, those will be communicated directly.

We recognize that there are a variety of viewpoints around our protocol change, I want to reinforce how important it is that our Athletes, Unified Teammates, Coaches, Volunteers, and Families continue to make in the best interest of their own comfort and well-being. And while we are rolling back vaccination protocol for our fall sports season, we continue to encourage individuals to talk with their doctor about receiving COVID-19 vaccinations and boosters.

Many thanks to our COVID-19 Protocol Task Force- Justin Hunsinger, Adam Hays, Jeff Hagen, Bob Signor, Pam Greenwood, Mike Czarnowsky, and Rhonda Garrison for their continued efforts in providing an informed, thorough, and practical COVID-19. And as always, THANK YOU, Area Leaders, Coaches, and volunteers for providing feedback as well as safe and meaningful sport experiences for our athletes and Unified Teammates!
