

# Special Olympics Maryland - St. Mary's County (SOMD-SMC) General Orientation Training

To be a volunteer with Special Olympics a certain amount of training is required. All Class A volunteers are required to take General Orientation training. This training is required to be taken only once. The instructions below will show how to take the training as well as a quick 9 question quiz after the training and how to notify our Volunteer Coordinator. You must get a score of 9/9 to pass. There are three parts to the orientation presentation.

1. Watch SOMD-SMC's General Orientation Training Part 1 at:  
<https://youtu.be/IPgt8KGbq3c>

The screenshot shows a YouTube interface. On the left, a video player displays a slide with the text: "Special Olympics is unique from other sports organizations". Below this, it lists "Special Olympics" features: "Sports for all ability levels", "Awards for all participants", "Divisioning forequitable competition", and "Random drawing to national and international competitions". At the bottom of the slide, it says "Special Olympics philosophy does not emphasize 'winning at all costs,' but emphasizes the importance of participation, effort and personal achievement." A "PLAY ALL" button is visible at the bottom of the video player. Below the video player, the title "SOMD-SMC General Orientation" is shown, along with "3 videos • Updated today" and "Public" settings. The channel name "Jeff Hagen" is also visible. On the right side of the interface, there is a "SORT BY" section with a list of three videos: "General Orientation Part 1 200722" (8:13), "General Orientation Part 2 200722" (6:47), and "General Orientation Part 3 200722" (4:34), all by Jeff Hagen. A red arrow points from the "PLAY ALL" button in the video player to the text "Select 'PLAY ALL'" located below the video list.

2. Upon completion of the video, you will need to take the short quiz at
