

The Winner

Special Olympics Maryland, St. Mary's County

Equestrian Program Attracts Athletes

In cooperation with the Greenwell Equestrian Program, St. Mary's athletes have the opportunity to learn the skills to ride, walk, and handle horses. During the spring session, local athletes prepare for the annual Maryland State competition at the Equestrian Center in Upper Marlboro.

This year, 9 athletes prepared for the state competition held in June. With the help of over 20 Greenwell volunteers and the horses, our athletes were ready for the walk-trot, walk-jog, walk-trail, and walk-English categories.

St. Mary's would not be able to offer this sport without the support of Greenwell Foundation. Congratulations to our athletes who competed this year!

Ruddy Duck Brewery & Grill

Practice Night supports Special Olympics

Here's the recipe for a perfect fundraiser: delicious food, great atmosphere and thousands of dollars to Special Olympics St. Mary's County – can it get any better than that!! Yes it can – when the restaurant does ALL the work!

At a pre-opening training event, *Ruddy Duck Brewery and Grill* co-founders Carlos Yanez and Michael Kelley offered Special Olympics St. Mary's County a unique opportunity – invite a couple hundred people to try out their new restaurant and instead of paying their bill, they'll be asked to make a donation to Special Olympics. Over 100 people came out to the fantastic new Brewery and Grill, just north of Solomons on Dowell Road, raising nearly \$3000 for Special Olympics. The event was held on June 7th, with several Special Olympics families and friends, to sample the food and thank guests for their donations.

Even the wait staff got into the fundraising effort by donating their tips from the night before! Michael Kelley has been a long time supporter, with his son Dillon participating in several Special Olympics sports; he also owns Brome Howard Inn in St. Mary's City. We encourage everyone to check out this great new Brewery and Grill and be sure to tell them: "Thanks! From Special Olympics St. Mary's County."

Practices start on September 19, 2009

11:00 am to 1:00 pm

Esperanza Lanes Bowling Alley

Local Tournament on November 14

Looking for Unified Team Players

ATHLETES MUST participate in
at least 1/2 of the practices to
qualify for the local competition

FLAG FOOTBALL—looking for unified partners

Practices start on September 12, 2009, 9:00 am

Local Competition: to be announced

State Competition: October 31, 2009, Mt. St. Mary's College

GOLF Competition

September 26, 2009 — Skills Competition

September 27, 2009 — Levels 2 thru 5 Team Competition

CYCLING Competitions

Local Competition on September 12, 2009

State Competition on September 26, 2009

Registration forms are included in this Newsletter.

Benefit Golf Tournament on October 2

Set your calendars

Mid-Summer Classic: Sailing on River

St. Mary's College hosted the annual Mid-Summer Classic for Special Olympics Maryland during July. The weekend's events included sailing, kayaking, and volleyball.

In the sailing program, athletes and their partners sailed on hobie cats or monohulls, in various divisions—whether tending to sails, steering part of the time, or steering the full time. They were challenged by the changing wind conditions and the current of the river. "It was a glorious weekend on the St. Mary's River," commented Dan Flanigan, Sailing Competition Director. Special Olympics St. Mary's County was represented by sailors Tom Bayne (1st), Russell Bucci

(2nd), Wayne Carter (1st), and Joey Owens (3rd), accompanied by partners Roger Ding, Dan Combs, Al Nader, and head coach Brenda Clarke. Athletes and skip-pers worked their sails and tillers to capture medals of distinction. They have been training for eight weeks at the St. Mary's College facilities. This partnership prepares our athletes for the various races and points scoring of the state competition. During the races, Joey and his partner Al Nader took a turn a little too fast and found out a little too much about seanettles. Joey was proud that his partner was able to quickly right the boat and get them back into the race.

Joey Owens and partner Alan Nader sail smoothly in boat 18. Below, Wayne Carter and Brenda Clarke had a winning day.

Mid-Summer Classic: Kayaking

The kayaking competition at the 2009 Mid-Summer Classic included a new race and lots of new faces this year. Brady Carrigan, who has been practicing with the team for several years, finally competed in the new Unified demonstration with his partner Shaun Carroll. April Mielcarek and Barry Burris also raced in the Unified Event, with partners Courtney Parkes and Wendy Headrick. All three teams competed in the 100 meter event in a tandem (two-seat) kayak. "This year it was a demonstration race," explained Coach TJ Parkes, "so our athletes did not receive medals. But thanks to these athletes and their partners, there will be Unified races next year!"

St. Mary's new members include Michael Scalsky, who came home with a gold medal and Stephen Maras who finished fourth in his division. April Newton started the season but did not compete. New coaches included Liz and Jeff Davenport, Kevin Warren and Cheryl Carlson, who all worked hard to keep our athletes in top race form throughout the 10 weeks of training at

Greenwell State Park.

Returning kayakers include gold medalists Rebecca Elwell and Jason Wright. Silver medalists were Wanda Morgan, Karla Kless and Kyle Russell, who had the 4th fastest time in the 500 meter race. Coming home with bronze medals were Barry Burris and Michelle Johnson. Debbie Davis came home with a fourth place finish in the top female division – out paddling teammate Wanda Morgan by less than a 10th of a second. Isaac Weiser practiced all season and will return next year to compete with the team.

Returning coaches included Brenice Crissman, Jarrett Walters, and Jose Diaz-Gutierrez. This was the final season for coach "Diaz" and Coach Louis "Porkchop" Prochazka, who retired from the military in July and moved to Pennsylvania. A surprise visit from "Porkchop" during Sunday's competition thrilled the athletes.

Special thanks to Rob Wright and Jason Zimmerman for their leadership in getting the race course set up at the College along with the volunteers from

Patuxent High Schools National Honor Society and volunteers from Patuxent River NAS.

Jim and Lori Russell did a great job with selling merchandise at the Mid-Summer Classic, including a special t-shirt in memory of Michael Anthony, his rendering of a sailboat and the new River house picture on it that Michael had drawn and given to Mary Lu Bucci when he was first diagnosed with Leukemia in 2008.

Michael Scalsky (above) and Michelle Johnson (below) competed in the Kayaking 100 meter race.

Mid-Summer Classic: Volleyball

Steven Summerfelt (top), Shaun Ridley (middle), Kara Sapp (bottom) working the ball at the recent competition.

Nicole Stone, Partner, commented, "Volleyball has always been a sport I've truly enjoyed, giving back to such caring people that want to learn the sport is indescribable. The athletes never complained and worked hard all the time. It was a remarkable experience."

Volleyball is alive in St. Mary's and throughout the State. St. Mary's put out the call in the Spring for athletes and unified partners to create one or more volleyball teams. And the athletes registered, and the partners volunteered. Coaches Jeff Hagen and Greg Fournier stepped up to the job to lead teams to play in the Mid-Summer Classic. The teams practiced weekly and worked hard to prepare them for this fast-paced sport.

During the weekend, five teams played multiple games to decide the winner. The teams in the running were Cecil County, Lower Shore, and Washington County, along with two St. Mary's Teams.

Fournier's Team consists of Jim Downs, Kegan Zimmerman, Terrel Nowlin, Samantha Oliver, RJ Axtell,

Kourtney Baker, Don Bewick, Mike Brown, Nicole Stone, and Renee VanEarp. They won a bronze medal after playing against Cecil and Washington Counties. Mike Brown commented, "I enjoyed seeing the athletes put their new-found skills to the test and I was so proud to be a part of it."

Hagen's Team consists of Sam Huffman, Steven Summerfelt, Shaun Ridley, Larry Mills, Thomas Smith, Wil Ridley, Julie Coombs, Kara Sapp, and Kelly Graves. After several games over the two days of competition, this team was victorious and won the gold medal. They also won the chance to attend the US National Competition in Nebraska next July 2010.

We will keep you informed as their continued training progresses in preparation for the national tournament.

Volleyball Headed to Lincoln, Nebraska in 2010

Through Volunteers and Financial Support, our Athletes Succeed!!

Special Olympics St. Mary's County relies on volunteers and donations to run the quality programs here in the county. The following individuals or organizations have donated their time or financial support to our local program. If you see one of these folks, say Thank You.

Bocce at Summer Games

The bocce athletes competing at the 2009 Summer Games at Towson played singles, 2-person teams, and 2-person unified teams. New for this competition was artificial turf, which the athletes had never played on before. The smooth, even surface was a big change from natural grass and varied terrain that they competed on at Leonardtown High School for Spring Games and weekly practices at the Law Offices of Norris.

The players demonstrated patience and strategy, resulting in gold medals for Debbie Davis, Linda Higgs, Tim Higgs, Joan Himes, Robert Hislop, John O'Brien, James Sewell. Also coming home with gold medals were Keith Stamp, Tom Stewart, Billy Thompson, Peter West, Michael Wood, James Woodland and Jason Wright.

Athletes winning Bronze include Michael Bald, Kim Ballard, Russell Bucci, Chong Fairclough, Betti Russell, Megan Sheehan, Taylor Hope, Marshall Thompson, Andy Thompson. Special thanks to

our partners Bev Davis, John Gallagher, and Connie Thompson who helped our athletes be stronger.

Each player competed in two games each day. Coach Gene Thompson commented, "whether the athlete was seasoned or new this year, they all played well under the stress of competition. The change in surface [from grass to artificial turf] didn't affect their accuracy and they were successful." Head Coach Serge Lefebvre provided Bocce Official support during the event.

Athletes (left to right) Keith Stamp, Marshall Thompson, James Woodland, and Joan Himes glance to their right, anxious for the outcome of their game that went into overtime.

Beverly and Debbie Davis were one of this year's unified bocce teams.

"St. Mary's Bocce athletes played well under the stress of competition."

Hawkins and Lowe WIN at National Golf Tournament!

Jimmy Hawkins and Bill Lowe of St. Mary's County have been playing together for two years. They shot a 90, 97, and 95 in their games to win their division of the National Golf Tournament. The event, held near Lincoln, Nebraska, was a precursor to next year's National Summer Games. The Hawkins and Lowe team's name was pulled from the hat containing all golfers who achieved gold medals in last year's competition. Congratulations!

LOOKING FOR UNIFIED PLAYERS

Do you know how to play soccer or flag football? How about bowling? Want the chance to teach and learn from others? Well, we have the games for you. Your skills can be beneficial to our teams. We are currently looking for players to join teams, forming now, in these sports.

Scott Lefebvre (above) and Talea Ingmire (below) swim their best at the state event.

A special thanks to the Local Management Board whose financial support is critical to the aquatics and basketball programs.

Aquatics – Training pays off!

The St. Mary's aquatics teams competed in a variety of events this year including free style, back-stroke, butterfly, breaststroke, and relays. Aquatics Head Coach Pam Pederson commented, "Our swimmers were exceptional this weekend. We couldn't have asked for a better team." This year's aquatics program attracted more athletes than ever before, increasing the level of competition and encouraged the athletes to 'step it up a notch.' The teams' stylish new swimsuits also helped them look great – thanks to a very special donation from a local supporter.

They definitely made their coaches proud by bringing home gold, silver, bronze, and ribbon awards. Several of our relay teams came home with gold medals including April Mielcarek/Scott Lefebvre/Tom Bayne/Kayla Woolridge in the 4 x 25 free relay, Rebecca Elwell/Barry Burris/Kyle Russell/ Shaun Ridley in the 4 x 50 free relay. Swimmers Josh Fondren and Talea Ingmire both earned silver medals in their backstroke races and Ronnie Noordzy came home with a bronze in his 50 meter freestyle race.

The team practiced at St. Mary's Recreation and Parks' Great Mills Pool. St. Mary's hosted a regional meet at St. Mary's College. Thanks to all the great volunteers that helped take many of our swimmers to the next level of competition. We had several athletes move from the shallow end of the pool to swimming in lanes. "This year is truly inspirational, commented County Director Mary Lu Bucci. Our coaches and athletes are already planning for next year.

Track and Field at Summer Games

The sun was shining and so were the athletes and coaches at the 2009 Summer Games competition in Towson, as they wore their new yellow St. Mary's County shirts for the first time. In track and field, athletes competed in three events and a relay from the field of 25, 50, 100, 200, and 400 meter runs, the throwing events of shotput, mini javelin, and softball, running, standing, and high jumps, and relays.

Athlete Larry Mills set a new state record for shotput at 11.99 meters. He is one of 5 pentathlon athletes from St. Mary's who compete for points in 5 different events – the shotput, long jump, high jump, 400 meter and 100 meter races. Other pentathlon athletes are Thomas Smith, Terrel Nowlin, Jeremy Toney, and Wayne Carter. Wayne and Jeremy are our newest Pent athletes and are obviously picking up some great skills from the older athletes.

Many of our male athletes came home with gold medals including RJ Axtell, Casey Chappellear, Matt Dobson, Carlos Jackson, and Avery Long who had the longest running long jump of the day on Sunday. Athlete Joey Owens won gold, as did Jeremy Shores, Shawn Somerville, Donnell Thompson, Justin Thompson, Moses Weaver, Issac Wieser. Bronze medalists include Brandon Chan, Ray Cusick, Jim Downs, Jerry Gatton, George Mattingly, and Charlie Sayers. Other track and field athletes who competed at the Summer Games include Bill Ford, Timmy Menard, and Joseph Williams.

Several of the relay teams came home with gold medals including Karla Kless/Trisha Baynard/Vicki Trossbach/Jeffery Hagen in the 4 x 100 meter, Kristin Klear/Michelle Haley/Scarlet Cundiff/Michelle Johnson running the 4 x 100 relay, Toney/Kegan Zimmerman/Samantha Oliver/Chris Gibson winning their 4 x 100 relay.

Coach Don Bewick commented on

the girls domination in their events: Emoni Butler won the Gold medal in the 400 meter and 200 meter with the best times of the competition -- 30 seconds for the 200 and 1 minute 16 for the 400. Tanesha Davis won her 100 m race with a time of 13.7 (fastest female time of the day). Samantha Oliver won a very close 100 meter race with a great time of 14.1, her fastest time for the season. Other gold medal girls include Shelby Boyer, Angela Buckler, Parish Butler, and Amanda Lowe. Also winning gold were Kennedy McReynolds, Desi Ogden, plus Angela Pitts and Amy Trowbridge who both had impressive distances in the Mini-Jav. Bronze medalists include Melody Chase, Ann Marie Fanzo, Laura Marini, April Newton.

Long time coach Joe Owens was not able to attend the competition this year and Coach Bewick commended Lisa Owens on stepping in as acting head coach and doing a great job in her dad's absence. The athletes enjoyed the weekend at the University and the coaches and volunteers did a great job of getting everyone to where they needed to be during the busy schedule of events.

The St. Mary's County program is grateful for the support of Great Mills High School for their track use for weekly practices. A special thanks to the coaches, volunteers, and family members who worked so hard to make this a wonderful event for our athletes.

Larry Mills now holds the state shotput record at 11.99 meters.

Jerry Gatton is floating on air as he makes his standing long jump. He is great at this event.

Emoni Butler (center) and Samantha Oliver (right) completed the 200 meter race within tenths of a second of one another. Their rivalry and camaraderie were an inspiration to all.

Softball Team Wins at Summer Games

The unified softball team, led by coaches Aggie Price and Jim Hawkins, played 5 games over the weekend to capture the gold, but it did not come easy.

Game 1 - Saturday - Baltimore City 19 vs. St. Mary's 18

St Mary's lost their first game due to weather, rough field, injury, and errors. The team knew they would have to step it up a notch

if they were going to win this tournament. Big hitters for this game were: Billy Thompson (1 homerun), Robbie Thompson, Adam Chesser (2 homers). Steven Summerfelt sprained his ankle after hustling into home. He was not able to return and finish the tournament. Joe Quade stepped in, having never played 2nd base and with help from Jimmy Hawkins, filled the void.

No errors at first base was key for the St. Mary's Defense. Annah Rice- First Baseman

Game 2 – Saturday St. Mary's 17 vs. Prince George's 7

St Mary's looked more like a team defensively and offensively. Billy Thompson had one home run. Sam Huffman got on base 4/5 times, Marc Rinaldo was 3/5, and Bobby Thompson was 4/4.

Game 3 – Sunday - St. Mary's 14 vs. Frederick 4

On Sunday St. Mary's had to fight their way out of the losers bracket -- battling to stay alive or leave with the Bronze medal, the first game was against Frederick County. St Mary's run ruled them with the help from Daniel Simpson having a good bat with a 3/3 average. Others with a hot bat were Huffman 3/4, Billy Thompson 3/4, and Robbie Thompson 4/4, assisting his team by bringing in the most runs.

Game 4 - Sunday - St. Mary's 15 vs Baltimore City 5

Solid defense from Rinaldo and Chesser in the outfield helped keep BC to scoring only 5 runs. First baseman Annah Rice played incredibly, scooping up and catching hard fast balls to first for outs. "No errors were made at first base which was key defensively in winning this game," noted Coach Price.

Game 5 – Sunday - Baltimore City 3 vs. St. Mary's 17

Intensity was up and St Mary's was focused for the final game. Billy Thompson continued to be a threat with his bat; he hit a grand slam which gave St. Mary a comfortable lead. Other quick bats were Rinaldo 3/4, Chesser 2/3, Bobby Thompson 3/3, Rice 2/3, and Simpson 2/3. St Mary's continued to have a solid defense. The last out to win the gold was made by Jimmy Hawkins.

Pitcher Bobby Thompson didn't give up a walk for the entire tournament and had 6 strike outs. Congratulations team on a job well done.

Special Olympics St. Mary's County is grateful to St. Mary's Recreation and Parks for the use of the Chancellor's Run softball field and all the volunteers, sponsors and donors who make this program a great success.
