St. Mary's Athletes Rock & Roll in Nebraska

Twenty-one athletes and partners and a half dozen coaches travelled to the middle of the country to represent Maryland at the Special Olympics National's competition at U of Nebraska in Lincoln. Joined by several family members, the St. Mary's delegation enjoyed the competition, facilities, new friendships and the food! Swimmer Kyle Russell came home with two bronze medals, a silver and gold in his 50 meter backstroke. Kyle was also featured in a short video; see it on-line at <http://cojmc.unl.edu/specialolympics/?p=4179>.

The basketball team included Jim Downs, Brandon Chan, Tiffany Johnson, Robert King, Avery Long, Terrell Nowlin, Joe Quade, Daniel Simpson, and Brandon Thompson. Competition in their division was fierce but the team took on the challenge with the utmost sportsmanship. Head Coach Bewick commented, "Our athletes were true sports. They knew the other teams were strong but they didn't give up." The team came home with a 4th place award and an inspiring memory.

In bowling, Kegan Zimmerman and his fellow Marylanders competed in singles, doubles, and a 4-person team. Kegan won the bronze medal in singles, 4th in doubles, and 5th in team play. "My family was able to watch the progress of each match on the internet. That was really great," commented Kegan. The bowlers received an authentic bowling pin adorned with the 2010 National logo.

Unified Volleyball team members were Julie Coombs, Kelly Graves, Sam Huffman, Larry Mills, Samantha Oliver, Shaun Ridley, Kara Sapp, Thomas Smith, Steven Summerfelt, Wil Ridley. The team played against teams from Texas, Minnesota, North Dakota, Oklahoma, and Connecticut, winning all of their preliminary games. In the gold medal round, they played a very experienced team from Texas. They split the first two games of the match. They went into the tie-breaker and lost to Texas, 16-14. A Special Olympics official at the event commented, "This was an incredible unified team. They played together and used the proper technique of volleyball. It was a pleasure to watch."

Special thanks to our Nationals Coaches: Lynne Baker, Head Coach, swimming; Don Bewick, Head Coach, Basketball; Lloyd Grayson, Asst. Coach, Basketball; Jason Zimmerman, Head Coach, Bowling; Mary Lu Bucci, Connie Thompson and the families of our athletes for all their support.

St. Mary's College hosted the annual Mid-Summer Classic for Special Olympics Maryland during July. The weekend's events included sailing, kayaking, and volleyball. Thanks to everyone who helped in the set up and clean up of this year's event!

Mid-Summer Classic: SAILING

Despite an afternoon thundershower, the 2010 Sailing competitors were able to show their monohull sailing skills at this year's Regatta.

Athlete Wayne Carter and Brenda Clark won Silver in Div 1. Kegan Zimmerman and Kristin Pederson won a Bronze in Div 2. Russell Bucci and William Bradley placed 5th in Div 3 and Joey Owens with partner Allen Nader won a Fourth place ribbon Div 4. In level 1a competition Tom Bayne with partner

Eric Smith won the Silver Medal.

After the Saturday competition the athletes enjoyed dinner at the college and a Pirate themed dance, featuring St. Mary's coach and DJ Marc Rinaldo keeping the music lively.

Mid-Summer Classic: KAYAKING

The 2010 kayaking was fast and furious this season with three new athletes, Josh Fondren, Stephen Maras and Jeremy Degler, competing for St. Mary's.

Two new partners also joined the team: Brian Hartz paired up with Barry Burris in the 500 m Unified race and Zech Weaver partnered with Brady Carrigan in the 100 m Unified race.

A highlight of the races was April Mielcarek's gold medal performance in her individual 100 meter race. She also

competed with Unified Partner Courtney Parkes in the 500 meter.

Wanda Morgan also excelled this year, with a gold medal in her division and will join Rebecca Elwell, Kyle Russell, and Jason Wright next year in the challenging 500 meter race. Michelle Johnson, Karla Kless, Isaac Wieser rounded out the 2010 team with great races. Rachel Vanecko practiced this season and should be ready to race next season.

Thanks to Greenwell Foundation and all the coaches and volunteers for a great season.

Jason Wright leads the pack.

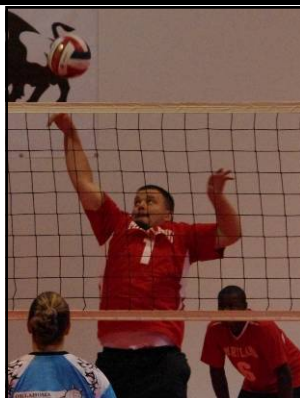

First season kayaker Jeremy Degler gets ready to race.

Mid-Summer Classic: VOLLEYBALL

Feeling strong after their silver medal finish at Nationals, the Unified Volleyball team dominated their division at the Mid-Summer classic. After helping to bring the Olympic Torch in for opening ceremonies, the team went on to win all three of their matches, taking down two teams from Washington County and one from Cecil to bring home the Gold Medal.

SPECIAL THANKS to St. Mary's College of Maryland for their help in making the 2010 Mid-Summer Classic a beautiful and well run event as well as helping to train the Special Olympics St. Mary's County Sailing team!

Torch Run 2010

It all starts with signing up for a hat or t-shirt and then a breakfast from sponsor Chick-fil-A. Now get on your running or walking shoes and prepare to cross the Solomon's Bridge — on foot! Finish it off with lunch — after a bus ride back across the bridge — at Cheeseburger in Paradise. It must be the 25th Annual Special Olympics Torch Run which took place in June. This special event features local Law

Enforcement's special contribution to Special Olympics, as they carry the Olympic torch from county to county throughout Maryland. Athletes who participated in this year's historic event included Joey Owens, Kegan Zimmerman, Russell Bucci, Laura Marini, Thomas Smith, Terrel Nowlin, April Newton, Tom Stewart, Vicki Trossbach, Ronnie Noordzy and Linda Higgs.

In addition to athletes and their families Law Enforcement Officer and kayak partner Brian Hartz, helped coordinate this year's Torch Run. All proceeds go directly to SOMD.

Water Sale Info

Saturday Sept. 18th and Sunday Sept. 19th are the dates for the Water Sale at AnnMarie Gardens' Artsfest. If you'd like to pull a wagon and sell some water, contact TJ at TheParkes@comcast.net or 410.326.2768. Help is also needed for set up on Friday.

Athlete Michelle Johnson and PHS volunteer Nick Mosquera were ready to roll at last year's Water Sale at AnnMarie Gardens' Artsfest.

Wanda Morgan and her mom plan to help again at the 2010 Water Sale scheduled for September 18 & 19th.

Prediction Race Set for Nov. 20

The 14th Annual Chesapeake Bay Running Club's Thanksgiving Prediction Run/Walk and 5k Race is set for **Saturday, November 20th!**

A new addition last year — a 1.5 mile fun walk — was a huge hit with many of our athletes and families! Along with the 3.1 mile run/walk and 5K race (where runners can try to predict their actual race time to win prizes), you can now come out to enjoy the morning with a fun walk through the college!

Early registration is only \$15 and includes a long sleeve t-shirt! Day-of fee is \$20 with limited shirts! Door prizes and baked goods are also available. You can even win a Turkey! Download the application at www.cbrcmd.org or call 301.475.9829 for more information.

Proceeds from this event help support Special Olympics St. Mary's County and we encourage all of our families and athletes to consider joining the running club for this fun and worthwhile event!

Rebecca Elwell and her mom, Laura, look like old pros as they wandered through AnnMarie Gardens with their wagon of water at last year's water sale.

LOOKING FOR Unified Partners

Do you play soccer or flag football? Do you enjoy bowling? We are currently looking for players OF ALL AGES to join teams, forming now. This is a great opportunity for friends and family members to join Special Olympics athletes in sports competition. We need children from Elementary, Middle and High Schools, as well as adults to join!

And soon we'll be looking for skiers, snowshoers and basketball players. If you're interested, fill out the volunteer form and return it today!

St. Mary's County Captures 3 Top Honors at the State Level

Don Bewick was voted SOMD Volunteer of the Year. He supports all facets of SO St. Mary's County. By trade, Don is a Navy test engineer. His job is complex and often requires travel. He arranges his return flights from his work to get back in time to help with the monthly Poker Tournament fundraiser. He moves tables, coordinates players, calculates winnings and stays until 1 or 2 a.m. when the tournament ends.

Don does not have a family member in the Special Olympics program, he just gives of himself to help anyone in need. Last September he helped with cycling on Saturday mornings, walking beside new athletes learning to ride and navigate, and helping with bowling in the afternoon as the primary volunteer on the wheelchair ramp lane. In November he ran in the 5K Prediction Race, another fundraiser for St. Mary's. In January, he trained to be a basketball coach and his team won gold in their division and went on to attend the 2010 National Games. In spring, he was a track coach, preparing 100 athletes to compete in Spring Games, with several going on to compete at the Summer Games.

Don helped to prepare 4 young men for the Penn Relay race. They practiced extra evenings for this prestigious event and came home with first place. Don not only was their coach, he also took off from work and drove the athletes to the competition.

During this time, Don also redesigned a new web site for St. Mary's. Don is there, at every fundraiser, at almost every sport, and at any time when we need muscle to move equipment. His kind and gentle spirit, coupled with his dedication to training and sports, makes Don a magnificent volunteer. He has become part of our Special Olympics family and we are grateful for his volunteerism.

Debbie Gatton was chosen as the Special Olympics Maryland 2009 female athlete of the year. She has participated in Special Olympics for 20 years and particularly enjoys Bowling and Athletics. Debbie Gatton is one of the happiest people to know. She is cheerful, laughing, and celebrating life and the people around her. She likes working and she loves being a part of Special Olympics. She recently had a medical scare, but it did not dampen her spirits and she continued to strive for greatness. She has been an inspiration to all of us during the past year.

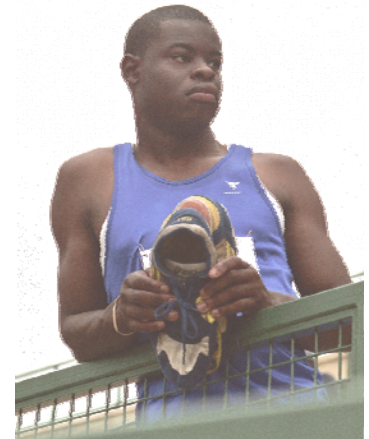

Thomas Smith was selected as Maryland's Male Athlete for 2009. Thomas is a quiet, yet diligent athlete. He takes great pleasure and satisfaction in winning with his team. Thomas strives for the best; he puts his heart and soul into every deed. Just watch him on the track or on the basketball court!

As a pentathlon athlete, he has trained extra hard with his team to attend the internationally-acclaimed Penn Relays at the University of Pennsylvania. They have competed in the 4x100 relay over the past 5 years against teams from the US and other countries like Jamaica. Thomas is the 1st runner and sets the pace for the rest of the team.

This year Thomas joined the unified volleyball team – a sport he had never played before. The team worked well together and won the gold medal at the Mid-Summer Classic and silver at Nationals. Thomas is a great example of a successful Special Olympics Athlete.

Look for more information in upcoming newsletters.

Three Equestrian, 8 Aquatics, 58 Track & Field, 27 Bocce and 15 Softball athletes from St. Mary's joined 1700 others from around the state for the three day event.

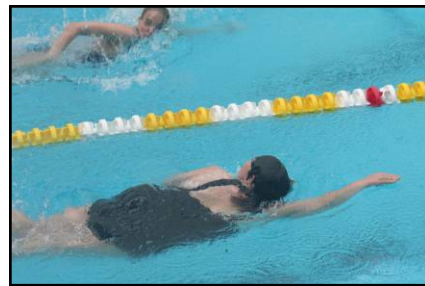

Aquatics at Summer Games

Another great season for our swimmers was concluded at this year's Summer Games. The St. Mary's swim team members included Annie Bassford, Barry Burris, Tom Bayne, Rebecca Elwell, Josh Fondren, Ronnie Noordzy, April Mielcarek and Kyle Russell. The team competed in 25 events including free style, back-stroke, butterfly, breast-stroke, and relays and brought home 22 medals—7 gold, 7 silver and 8 bronze. Aquatics Head Coach Lynne Baker commented, "Our swimmers did very well this weekend. We couldn't have asked for a better team." This year's aquatics program attracted more athletes than ever before, with a couple of our athletes participating on their high school teams at Leonardtown & Chopticon High.

Kyle Russell shows his winning form.

April Mielcarek goes head to head with her competitor at States.

Softball at Summer Games

The unified softball team, led by coach Jim Hawkins, competed against teams from Frederick, Prince George's, Baltimore City, and Baltimore County. The team played 5 games over the weekend to capture the gold, but it did not come easy. The team relied on their strong defense, pitching, good bats, and excellent teamwork to be victorious. Congratulations team on a job well done.

Equestrian at Summer Games

of Equestrian competition to the same date as Summer Games forced some of our athletes to make a tough choice this year, but for Amanda Lowe, Shelby Beall and Austin Kraese the 2010 competition at the PG Equestrian Center was a sweet reward. Athletes trained and competed on horses from Greenwell and Serenity Cove Stables.

Mary Randall also trained this year but did not compete. Special thanks to our equestrian coaches Julie Raley and Helaine Burch for their work with these athletes.

Shelby Beall proudly displays her mount, Sebastian, and her Summer Games gold and silver medals.

Track & Field at Summer Games

The sun was shining and so were the athletes at the 40th Anniversary Special Olympics Maryland Summer Games at Towson University.

In track and field, athletes competed in three events and a relay from the field of 50, 100, 200, 400, and 800 meter runs and walks; the throwing events of shotput, mini javelin, and softball; and running, standing, and high jumps.

New coach Gary Ridosh supported the efforts of three athletes who entered the 800 meter race this year: Moses Weaver, Emoni Butler, and Brandon Chan. All three made a great showing in their individual divisions: Emoni won first, Moses won second, and Brandon won third. Athletes Larry Mills, Thomas Smith, Terrel Nowlin, Avery Long, and Wayne Carter competed as pentathlon athletes, competing in a total of five events each.

Coach Lloyd Grayson commented on these athletes' performances, "Each athlete scored their personal best in at least one of their events. We are very proud of them."

A remarkable happening of the games was the opportunity for Jerry Gatton, a blind individual, to run the 50 meter race without holding on to a rope, rather he listened to the voice of Head Coach Owens in front of him to guide him in his lane. After the race, Jerry was overcome with joy and said, "I felt free for the first time."

PENN RELAY VICTORY

In addition to regular practices four of our athletes had the opportunity to compete on the International level at the Penn Relays. This year's relay team of Larry Mills, Terrel Nowlin, Thomas Smith and Avery Long won their race with a time of 49 seconds.

Bocce at Summer Games

The bocce athletes played singles, 2-person teams, and 2-person unified teams. The players demonstrated patience and strategy, resulting in several gold medals. Head Coach Serge Lefebvre supported the state competition by being an official and providing training. He commented, "Each player competed in two games each day. In spite of the heat, our athletes brought home some bling."

Coach Gene Thompson added,

"Whether the athlete was seasoned or new this year, they all played well under the stress of competition. The artificial surface stayed very consistent and our athletes accepted the challenge with great games."

Bocce is similar to lawn bowling and requires accuracy and strategy to win.

Several of the 2010 team members are pictured below.
