St. Mary's College hosted the annual Mid-Summer Classic for Special Olympics Maryland in July. The weekend's events included sailing and kayaking. Thanks to everyone who helped in the set up and clean up of this year's event! And once again, the competition was completed before the summer storms rolled in.

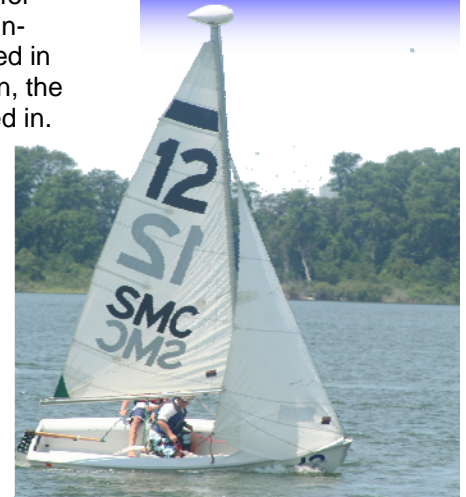

Mid-Summer Classic: SAILING

Fluctuating winds and high temperatures tested the sailing skills at this year's Regatta for the monohull sailors from St. Mary's County.

A three way tie for third in Division 1 resulted in Bronze medals for the Tom Bayne / Roger Ding team and Russell Bucci / Josh Morrison. Athlete Joey Owens and new partner Phillip Weiser came in fourth in Division 2 and athlete Wayne Carter with partner Peter Weiser won Silver in Division 3.

After the Saturday competition the athletes enjoyed dinner at the college and a 50's sock hop dance.

Pictured left, Tom Bayne / Roger Ding (sail #4) and Russell Bucci / Josh Morrison (#6) avoid disaster. Wayne Carter and Peter Weiser (#12) take a hard line during the race.

Mid-Summer Classic: KAYAKING

Several new athletes joined the kayak program this year including three who competed at the state level! Newcomers Patrick Boyle, Kailyn Raum and Grayson Pulliam joined veteran kayakers Kayla Woolridge, Jason Wright, April Mielcarek, Isaac Weiser, Kyle Russell, Wanda Morgan, Karla Kless, Michelle Johnson, Rebecca Elwell, Jeremy Degler (pictured at right) and Brady Carrigan at the 2011 Regatta at St. Mary's City.

Returning athletes Barry Burris, Annie Bassford, Kegan Zimmerman, and Josh Fondren and new athletes Braydon Pulliam, Cody Edwards, Rashanda Granados and Jerry Gatton practiced during the season but did not compete at the state competition.

"We had a lot of athletes this year," explained head coach TJ Parkes. "It is so exciting to see the program grow!"

The weather did not cooperate during the training season, and when combined with transportation issues

and work schedules, some of the athletes were not able to make enough practices to compete at the Regatta. "Telling an athlete they do not qualify to compete is one of the hardest things a coach has to do, but without the proper training, you run the risk of injury -- and it's not fair to the other athletes who are there for every practice," explained Parkes.

This year's coaches included Cheryl Carson,

Kevin Kenney, Mark Fondren, Sydney Morgan, Will Bailey, Mary Kate Morgan, and Rob and Kathie Wright. Partners Zech Weaver, Kaitlyn Kenney, Brian Hartz and Courtney Parkes helped with coaching and competition and Brian Tierney rounded out the team with his jet ski! Thanks to EVERYONE for another great season.

Our girls are the fastest in the state! Congrats to Kayla (#1), pictured below, Wanda, Kailyn and Rebecca, who came in with the four fastest times in the 100 meter race!

Coach TJ Parkes prepares to launch new athlete Grayson Pulliam (brown kayak) as volunteer Syndey Morgan (green shirt) congratulates Wanda Morgan (pink kayak) after her race.

SPECIAL THANKS to St. Mary's College of Maryland for their help in making the 2011 Mid-Summer Classic a beautiful and well run event as well as helping to train the Special Olympics St. Mary's County Sailing team! And thanks to Greenwell State Park for sharing their kayaks and letting us practice at their facilities.

Moose Lodge Picnic a great day

The Patuxent Moose Lodge hosted athletes and their families at their annual picnic for Special Olympics St. Mary's County. Over one hundred athletes attended the day's event which included a moon bounce, great food, games and more! Thanks to the Moose Lodge for a fantastic day and for their continuing support of the athletes and programs of Special Olympics St. Mary's County!

Supporting Athletes in Tornado-struck Joplin, Missouri

May 22, 2011 was a day that the residents of Joplin will not soon forget. A devastating tornado ripped through the community, killing over 150 people, including three Special Olympics athletes who shared a house.

Special Olympics St. Mary's County stepped in to help with a fundraising email sent to many of our volunteers and athletes. The goal was to send 15 athletes affected in Joplin a gift card, to buy the things they needed most -- one gift card from each of the 15 sports that St. Mary's

County currently runs.

"The response was incredible," said coordinator TJ Parkes. "We had 15 cards at the Sports Banquet for our athletes to sign and more money came in at the banquet, so we are sending a total of 23 Target gift cards, \$20 each, to athletes in Joplin, Missouri.

A special thanks goes to our donors; the Elwells, the Summerfelts, the Wrights, the Downs, the Owens, the Hagens, the Chans, the Klesses, the Longs and the Parkes.

Soccer Team Fans

Along with the official Team USA, St. Mary's County was also represented by four of their biggest fans - Connie Thompson, Shannon Snell, Malarie Hill and Teresa Summerfelt. Although they did not stay with the athletes, they did get a unique and sometimes scary look at Athens.

"Our hotel had a wonderful view of the Acropolis - but being in the center of the rioting in Athens was a little unnerving," explained Thompson. "I'm glad I was there - and happy that everyone made it home safely. It was a once in a lifetime experience."

Cash Bash 2012 Set for May 19

The first and second Cash Bash events were so much fun that we wanted to announce the date for Cash Bash 2012!

Mark your calendar so you can join the fun on Saturday May 19 from noon to 5 at the Hollywood VFD.

Over \$10,000 in cash and prizes will be given. Look for more information in upcoming newsletters.

SUMMER GAMES 2011

The culmination of a Special Olympics sports season is the state competition. After months of training, 45 track and field athletes, 12 swimmers, and 28 bocce players spent three June days participating in the Maryland Summer Games competition at Towson University. They were joined by over 1700 athletes from around the state to compete in their chosen sport.

The St. Mary's County program is grateful for the support of Great Mills High School (track use), St. Mary's Recreation and Parks (Great Mills Pool), and Mr. Norris (lawn for bocce). A special thanks to the coaches, volunteers, and family members who worked so hard to make this a wonderful event for our athletes.

2011 Equestrian Competition

Moving back to the week before summer games, this year's equestrian competition featured several athletes from St. Mary's County, including Shelby Beall, April Towler, Mary Randall, Russell Bucci, Jeremy Degler, Austin Kraese, Amanda Lowe, Josh Magpayo, and Rachael Vanecko, who overcame her fears this year to compete in the ring.

Athletes trained and competed on horses from Greenwell and Serenity Cove Stables.

Gold medal winners included Russell Bucci and Amanada Lowe. Austin Kraese earned a bronze. Mary Randall . Special thanks to our equestrian coaches Julie Raley and Helaine Burch for their work with these athletes.

Jeremy Degler , above, competes at the Prince George's Equestrian Center.

2011 Track and Field Competition

The weather was hot but the medal count was hotter at this year's State Athletics competition at Towson:

- 43 GOLD,
- 38 SILVER
- 32 BRONZE
- 21 Fourth place
- 12 Fifth place
- 6 Sixth place
- 2 Seventh place
- 1 Eighth place

AND 1 participation ribbon. That meant only 1 DQ for the entire weekend!!

"As you can see we had a very successful weekend thanks to everyone's hard work & dedication to our athletes," explains head coach Joe Owens. "I would rank this Summer Games as one of the best yet. The

athletes were GREAT."

In track and field, athletes competed in three events and a relay from the field of 50, 100, 200, 400, and 800 meter runs and walks; the throwing events of shotput, mini javelin, and softball; and running, standing, and high jumps.

pictured above, relay team members April Newton, Angelica Ringgold, Ashley Stein and Andrea Brown. pictured at left, James Dickerson completes the handoff to Joey Owens in the 100 meter relay.

2011 Bocce Competition

The bocce athletes played singles, 2-person teams, and 2-person unified teams. The players overcame the challenges of heat and threatening weather at this year's event to compete in two matches each day.

Head Coach Serge Lefebvre commented, "We have watched this program grow over the years -- I believe this is the largest delegation we've ever brought to summer games. And the level of play was outstanding."

Higgs, James Sewell, Tim Higgs, Hope Taylor, Jack O'Brien, Marshall Thompson, Marcia Bald, Bobby Hislop, Russell Bucci, George and Carrie Morgan.

2011 Aquatics Competition

The St. Mary's aquatics teams swam in a variety of events this year including free style, back-stroke, butterfly, breaststroke, and relays. They definitely made their coaches proud by bringing home multiple awards. Aquatics Head Coach Lynne Baker commented, "It is a long season for us, which begins in March. It is always exciting to watch the swimmers develop new skills as the season progresses."

This year's aquatics program attracted more athletes than ever before, with a couple of our athletes

participating on their high school teams. We had a couple of athletes compete in challenging events – April Mielcarek swam a 400 meter freestyle and Shaun Ridley and Kyle Russell competed in the 100 meter freestyle.

Thanks to all of our hardworking coaches and volunteers!!
